# MUYA GM522 Pressure Manometer

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### MUYA GM522 Pressure Manometer

**Manufacturer:** Muya  
**Model:** MEA-MUY-04543  
**Availability:** In Stock

## Description

The highest-capacity manometer in the lineup, extending the measurement span to about +/-10 psi for heavier-duty pressure testing while keeping the same +/-0.3% accuracy class and fast half-second response time. Like its siblings it offers calibration, max/min/average logging, and a large backlit display with multiple selectable pressure units.
