# MUYA GM8800A Combustible Gas Detector

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### MUYA GM8800A Combustible Gas Detector

**Manufacturer:** Muya  
**Model:** MEA-MUY-04544  
**Availability:** In Stock

## Description

A handheld combustible gas leak detector for locating methane and similar leaks around piping, appliances, and industrial equipment, sensitive to about 50 ppm methane with an LEL alarm threshold of 10%. It uses a long flexible gooseneck probe to reach tight spaces, gives both visual and audible alarms with an adjustable beep rate, and responds in about 2 seconds after a short warm-up.
