MUYA GM8800B Combustible Gas Detector

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM8800B Combustible Gas Detector

Manufacturer: Muya
Model: MEA-MUY-04545
Availability: In Stock

Description

A companion combustible gas detector using the same low-power semiconductor sensor, 50 ppm methane sensitivity, and 10% LEL alarm threshold as its sibling model, but built into a more compact handheld housing with a shorter gooseneck probe for closer-quarters leak checks. It shares the roughly 2-second response time, audible/visual alarm, and AAA-battery power supply rated for about 8 hours of continuous use.
