MUYA GM8805 Carbon Monoxide Monitor

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM8805 Carbon Monoxide Monitor

Manufacturer: Muya
Model: MEA-MUY-04546
Availability: In Stock

Description

A compact handheld carbon monoxide detector for on-the-spot indoor air safety checks. It continuously samples ambient air and shows live CO concentration in ppm on its digital display, sounding an audible and visual alarm as soon as levels turn dangerous. Well suited to homes, garages, workshops, and boiler rooms where leaks or poor ventilation can let CO build up unnoticed.
