MUYA WP6932 Formaldehyde Monitor

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA WP6932 Formaldehyde Monitor

Manufacturer: Muya
Model: MEA-MUY-04548
Availability: In Stock

Description

A handheld air quality meter dedicated to detecting formaldehyde (HCHO) released from new furniture, paint, flooring, and renovation materials. It gives a digital mg/m3 readout of formaldehyde concentration and flags unsafe levels with a built-in alarm, making it a practical check for newly decorated homes, offices, or vehicles before moving in. Compact and battery-powered for quick spot checks in any room.
