MUYA GM8803 Formaldehyde Monitor

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM8803 Formaldehyde Monitor

Manufacturer: Muya
Model: MEA-MUY-04549
Availability: In Stock

Description

A dedicated formaldehyde detector for verifying indoor air safety after renovation, new furniture, or a new vehicle purchase. It samples surrounding air and displays HCHO concentration digitally, sounding an alert when readings exceed safe thresholds. Lightweight and simple to operate, suited to homeowners, landlords, and inspectors who need a fast formaldehyde reading without lab testing.
