MUYA GM60 Wire Tracker

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA GM60 Wire Tracker

Manufacturer: Muya
Model: MEA-MUY-04552
Availability: In Stock

Description

A cable tracer kit for locating and identifying individual wires hidden in walls, conduits, or bundled cable runs without disconnecting them. A signal transmitter sends a tone down the target wire while a handheld probe/receiver traces its path and pinpoints breaks, and it also checks for open or short circuits. Useful for electricians, network installers, and technicians untangling unlabeled wiring.
