MUYA RC200 RC200 Remote Control

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA RC200 RC200 Remote Control

Manufacturer: Muya

Model: SUR-MUY-04596

Availability: In Stock

Description

The RC200 is a remote control unit used to adjust a rotary laser's settings from a distance, saving trips back to the instrument during levelling work.
