MUYA SU02 Surveying Umbrella For GPS

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

MUYA SU02 Surveying Umbrella For GPS

Manufacturer: Muya
Model: SUR-MUY-04602
Availability: In Stock

Description

The SU02 is a black high-coverage field umbrella built for RTK GPS rovers, with an integrated clamp collar that lets it slide onto the GPS pole, shielding the receiver and controller screen from direct sun.
