Product Overview

Muya AKZ30 Tilting 62mm Triple Prism With Polycarbonate Holder, Prism Canister, Copper Coated

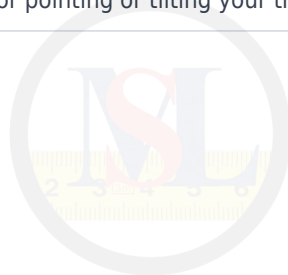

Manufacturer: ERP Manufacturer #1

Model: SUR-MUY-01303

Availability: In Stock

Description

The Muya AKZ30 Tilting Triple Prism Assembly features three copper-coated prisms with 62 millimeter diameters and 0/-30 millimeter offsets inside black, plastic canisters. Each prism canister has a M20 thread that attaches easily to this prism assembly's orange triple prism mount. The triple prism mount holds one to three prisms and is made of polycarbonate which is both UV and water-resistant. An aluminum holder holds the prisms and mount and has a 5/8 x 11-inch thread that allows surveying professionals to mount the entire triple prism assembly onto a prism pole. A sighting collimator gives you maximum visibility for pointing or tilting your triple prism assembly for long distances. 62 ...
