Reed R5075 Solar Clamp Meter, Trms, 1000A AC/DC W/Temp

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5075 Solar Clamp Meter, Trms, 1000A AC/DC W/Temp

Manufacturer: Reed Instruments

Model: MEA-REE-04695

Availability: In Stock

Description

True RMS AC/DC clamp meter built for solar and high-voltage electrical work, measuring up to roughly 1000A current alongside AC voltage to 1500V and DC voltage to 2500V. A 9,999-count backlit display, slim 1.4-inch jaw for tight combiner-box conductors, and CAT III 1500V/CAT IV 600V safety rating suit it to PV array testing. It also reads resistance, capacitance, frequency, and temperature (via included Type K probe), and its IP65 housing shrugs off dust and rain on rooftop installs.
