Reed R5077 Multimeter, 1000V AC/DC

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5077 Multimeter, 1000V AC/DC

Manufacturer: Reed Instruments

Model: MEA-REE-04698

Availability: In Stock

Description

True RMS digital multimeter covering AC/DC voltage up to 1000V, current to 10A, resistance to 99.99 MOhm, capacitance to 9.999 mF, and frequency, plus a Type K temperature input reading up to 1000C. Built-in non-contact voltage detection lets users check for live conductors before touching them, and the CAT III 600V rating suits general electrical and maintenance work.
