Reed R5077-NIST Multimeter, 1000V AC/DC W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5077-NIST Multimeter, 1000V AC/DC W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-04699

Availability: In Stock

Description

True RMS digital multimeter measuring AC/DC voltage to 1000V, current to 10A, resistance, capacitance, frequency, and Type K temperature up to 1000C, with built-in non-contact voltage detection and a CAT III 600V safety rating. This unit includes a NIST-traceable calibration certificate, useful where documented measurement accuracy is required for compliance or quality records.
