Reed R5340-NIST Cable Length Tester W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5340-NIST Cable Length Tester W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-04702

Availability: In Stock

Description

The same pulse-reflection cable length and resistance tester as the standard R5340 -- up to about 100,000 feet of range, 20 preset plus 8 user-defined cable profiles, and a backlit feet/meter LCD -- but supplied with a NIST-traceable calibration certificate for organizations that need documented measurement traceability. Includes the same test leads, copper reference rod, and carrying case as the base unit.
