Reed R5720-NIST Ac Leakage Clamp Meter W/Nist

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5720-NIST Ac Leakage Clamp Meter W/Nist

Manufacturer: Reed Instruments

Model: MEA-REE-04704

Availability: In Stock

Description

Identical hardware to the standard R5720 leakage clamp meter -- True RMS AC sensing from microamp to 100A range, a 1.26-inch jaw, low-pass filtering for VFD work, and CAT III 300V safety rating -- but sold with an accompanying NIST-traceable calibration certificate for compliance or quality-audit requirements.
