Reed R6040-NIST Digital Psychrometer W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6040-NIST Digital Psychrometer W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-04710

Availability: In Stock

Description

The REED R6040-NIST offers the same all-in-one psychrometer functionality, reading temperature, humidity, dew point, and wet bulb temperature on a backlit display while logging up to 999 readings with USB-C connectivity to REED's data software. Adjustable alarms and a compact, belt-clip-ready body suit it to HVAC and facilities monitoring. It ships with a NIST-traceable calibration certificate.
