Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7406 Caliper, Digital 0-6in/0-150mm

Manufacturer: Reed Instruments

Model: MEA-REE-04715

Availability: In Stock

Description

The REED R7406 is a 0-6in/0-150mm digital caliper with a hardened stainless steel head and body, reading to 0.0005in/0.01mm resolution on a switchable in/mm LCD. It handles outside, inside, depth, and step measurements, with a zero button, slide lock screw, and auto shut-off to extend battery life. A hard carrying case and spare battery are included for shop or field use.
