Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7412 Caliper, Digital 0-12in/0-300mm

Manufacturer: Reed Instruments

Model: MEA-REE-04717

Availability: In Stock

Description

The REED R7412 is a larger-capacity digital caliper covering 0-12in/0-300mm with 0.0005in/0.01mm resolution, built around a hardened stainless steel head and body for shop durability. It measures outside, inside, depth, and step dimensions, with a switchable in/mm LCD, zero-set button, and slide lock, and includes a hard carrying case for protection between uses.
