Foif Fg License

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Foif Fg License

Manufacturer: SUZHOU FOIF

Model: SUR-SUZ-5667265

Availability: In Stock

Description

FOIF's FieldGenius controller software (developed by MicroSurvey) used to operate FOIF total stations and GNSS/DGPS receivers in the field. It offers point/line/arc staking, road and surface layout tools, and a graphical map view for survey crews.
