Toknav TSA320 A320 GNSS easurement ntenna

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Toknav TSA320 A320 GNSS easurement ntenna

Manufacturer: ERP Manufacturer #25

Model: SUR-TOK-5218028

Availability: In Stock

Description

The Toknav TSA320 is an external GNSS survey antenna that tracks four satellite systems (GPS, GLONASS, BDS, Galileo) plus QZSS, SBAS and IRNSS across full frequency bands for millimeter-level positioning accuracy. It has an IP67-rated ruggedized housing (about 142mm diameter x 66.5mm, ~450g) suited to outdoor use in land surveying, marine and channel measurement, and structural/landslide monitoring.
