Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya TIP01 Tip for Prism Pole and GPS Pole

Manufacturer: Muya

Model: SUR-MUY-7358113

Availability: In Stock

Description

A replacement pointed ground tip for prism/GPS poles — an anodized metal body with a hardened, hex-shouldered steel point that threads onto the base of the pole and can be swapped out once worn.
