Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Goslam X1 Mobile 3D Laser Scanner

Manufacturer: Muya

Model: SUR-GOS-9164991

Availability: In Stock

Description

The GoSLAM X1 is a compact, collision-resistant drone-mounted LiDAR unit built for flying 3D laser scans through narrow, hard-to-reach spaces, streaming a real-time coloured point cloud with break-point resume scanning.
