Goslam T100i Mobile 3D Laser Scanner

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Goslam T100i Mobile 3D Laser Scanner

Manufacturer: Muya

Model: SUR-GOS-4652414

Availability: In Stock

Description

The T100i extends the T-series design to a 120m scanning radius while keeping roughly 1cm point accuracy, using laser-SLAM so it needs no external GNSS to self-position.
