Reed R8140 Led Light Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8140 Led Light Meter

Manufacturer: REED INSTRUMENTS
Model: MEA-REE-00937
Availability: In Stock

Description

Purpose-built for measuring modern LED, incandescent, and colored (red/green/yellow/blue/white) light sources, this auto-ranging meter reads up to 199,900 Lux with a detachable, rotatable sensor for flexible one-handed use. It keeps min/max readings, has a backlit display, and auto shuts off to save battery life -- useful for lighting installers, cinematographers, and OSHA compliance checks.
