Reed R5002-clipb Replacement Black Alligator Clip for R5002

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Manufacturer: REED INSTRUMENTS
Model: MEA-REE-02962
Availability: In Stock

Description

A genuine REED replacement black alligator clip sized for the R5002 high-voltage insulation tester, with toothed jaws (about 1 in/26mm opening) that bite securely into fine test wires. It measures roughly 3.9 in overall and carries a 1000V/10A rating (CAT III 1000V / CAT IV 600V), making it a straightforward drop-in spare for worn or lost test leads.
